

AURORA SPORTSMEN'S CLUB

Shooting Adventures for Corporate Events and Private Groups

7858 Preserve Road; Waterman, IL 60556

www.AuroraSC.org

Consider the Aurora Sportsmen's Club for your next group outing. Our outdoor shooting facilities can accommodate special events for birthday celebrations, wedding parties, team building activities, fund raising events and customer entertainments. Bring your friends and family out to enjoy a safe, educational outdoor shooting experience. Members can make arrangements to bring more than three shooting guests or more than six total guests at a time for a private shoot with Range Safety Officer supervision.

Events may include target practice; instruction and on-field coaching during handgun, rifle, archery and/or shotgun shooting sessions for novices, experienced shooters and everyone in between. Group sessions are accompanied by at least one Club-provided Certified Range Safety Officer. If we accommodate your request, a written proposal will be provided with all necessary details.*

Prices for events are customized based on a combination of activities included, equipment furnished, total participants, staffing, event length and available ranges.

The Aurora Sportsmen's Club is a +/-300 acre gated, private club organized as an Illinois Not-for-Profit (501C7) Corporation dedicated to Shooting Sports, Conservation and Education in DeKalb County. The Club is the oldest and largest private shooting club in northern Illinois.

With more than twenty outdoor rifle/pistol bays for short- and long-range shooting distances we can accommodate all rim fire and center fire firearms that are legal in Illinois. Our Shotgun Sports areas have skeet fields, trap fields, wobble trap, pyramid wobble trap, springing teal, 5-stand, special training areas and a 15 station/100 shot Sporting Clays course. Archery offers known-distance shooting lanes and 3D targets in natural settings. We are open 365 days per year and can schedule special events all year long. Space for group outings is limited and scheduling is by reservation, depending on range and staff availability.

For more information, email SpecialPrograms@Aurorasc.org.

**ASC, a private membership club, reserves the right to decline without explanation or cause any request for special range use.*
